

# Bold Minimalism

Take a walk down 1960's memory lane with these bright, bold, solid colors that are sweeping the fashion and home décor world. The 'Bold Minimalism' trend is for your "minimalist extrovert." The vibrant eye-catching 1960's inspired style is loud yet simple with design. This gives the look a versatile yet multi-purposeful feel ranging from places like the runway to your everyday home. Incorporate these looks to make a needed focal-point-pop or a detail in your home décor accessories.
